

About Mr. Keller

Educational Background

- Master of Arts – University of Massachusetts Education
- Master of Science – University of Connecticut Chemistry
- Bachelor of Science - Tufts University
Major: Chemistry

Professional Experience

Mark Keller taught chemistry and physics for sixteen years in Massachusetts before coming to Michigan. He joined the Center Line High School staff twelve years ago where he has instructed physics, chemistry, and AP Chemistry. Mark has been Teacher of the Year twice and received Top Ten Recognition for eleven of the past twelve years.

Personal

Mark's wife is from Spain and she is a professor of Spanish at Wayne State University. They have a seven year old son who is a student in an IB PYP program. Mark travels to Spain every year to spend time with his relatives and friends (and to work on his Spanish).

Hobbies

Mark is an avid five string banjo player!
