Educational Background

- Oakland University and Wayne State University
Post graduate work: Computer Science, Literature and Technology
- Master of Arts – University of Michigan
Concentration: Library Science
- Bachelor of Science – Central Michigan University
Concentration: Teaching, Library Science, and Biology

Professional Experience

Nancy Lambert comes to the IAM after being retired from Utica Community Schools. She worked in the library at Utica High School and then was assigned to establish the library/media center at Henry Ford II High School. She has been active in MAME (Michigan Association for Media in Education) and MACUL (Michigan Association for Computer Users in Learning) serving on various committees and as an officer in the MAME organization. She was instrumental in bringing a computerized circulation system and online library catalog to the Utica Community Schools. In addition, Ms Lambert was involved in student activities as a sponsor of the Ski Club, a Reading Discussion Group and the UCS affiliate of the US Figure Skating Association.

Personal

Nancy resides with her husband, Richard, and two cats, Shilo and Byran, in Bloomfield Township. They have a son and a daughter who live out-of-state. Her husband is a sixth grade teacher, currently working at Magahay Elementary School in UCS. Ross, her son, is a graduate student at the University of Washington in the Architecture program. Her daughter, Margaret, is an undergraduate education major at Evergreen State College in Olympia, Washington.

Hobbies

Nancy practices Yang Style Tai Chi Chuan. She is active at her church, and serves on the Board of various community organizations. She is involved in volunteer work with the Friends of the Library and loves to read. She enjoys spending time knitting, sewing, walking and hiking.
