# International Academy of Macomb

## Faculty and Administration

International Academy of Macomb's (IAM) high school faculty represent diverse backgrounds and are chosen for their ability to challenge and support our student body while inspiring them to be impactful IB learners. Most have advanced level degrees and all of our teachers and administrators are trained in the Diploma Programme and Middle Years Programme at certified IB workshops. We have numerous IB examiners on staff as well as IB workshop leaders and members of IB curriculum writing committees.

*"They [staff] do not think of this as their job, it's their passion and they truly want their students to learn from their lessons and get something out of it that will help them in the future."* — IAM student

## School Community

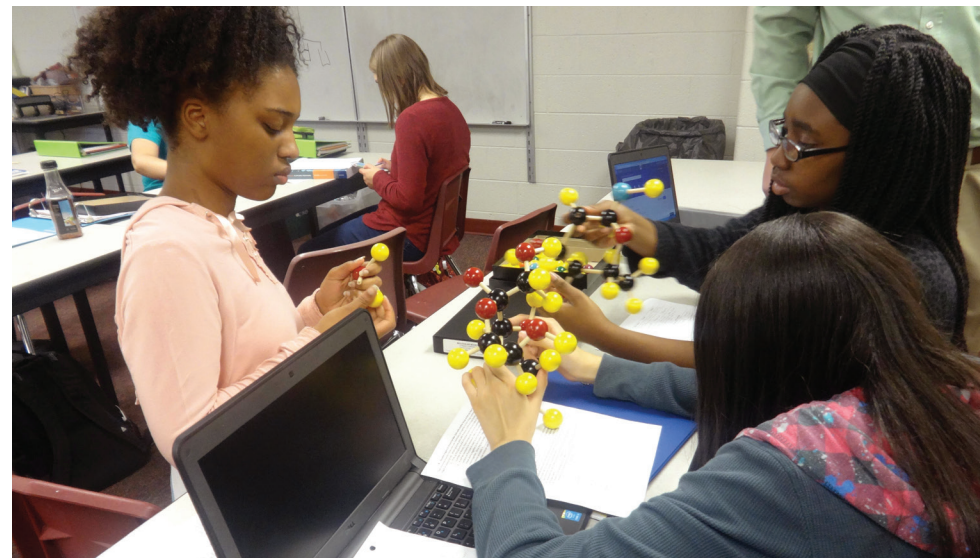

The IAM is a public, tuition-free, high school for students from participating Macomb County school districts. IAM provides a unique blend of rigorous academic standards, practical career-related experiences, and intercultural learning opportunities focused on a challenging and engaging curriculum. The IAM features the world-renowned International Baccalaureate Middle Years Programme as the centerpiece of the 9th and 10th grade curriculum and the Diploma Programme in the 11th and 12th grade curriculum.

*"To be an IAM student is to be someone who is prepared to step out of the box and experience an environment where normal is not universal. An IAM student is a risk-taker, someone who is not afraid to express their true selves and learn from new/different cultures and experiences."* — IAM student

## IB Diploma Programme

The International Baccalaureate curriculum is the heart of the IAM's demanding academic program. All levels of the IB programme include a challenging liberal arts and science course of study. Students are required to take classes and assessments in six subject areas, write an extended essay of 4,000 words, take two Theory of Knowledge courses, and complete a minimum of 150 hours of participation in creativity, activity and service (CAS) activities. The course of study and the IB diploma and subject area certificates are widely accepted by universities and colleges around the world as evidence of superior achievement.

*"I love the amount of depth we go into each course here. The rigor can be overwhelming at times, but it definitely pays off in the long run. I have learned useful college preparatory and life skills, like time management."* — IAM student

## Academic Success

Students achieve success at the IAM by being motivated to learn and dedicated to their education. The staff works diligently to teach time management skills to IAM students to ensure they can handle the rigor and workload. The academic pace of the school attracts students who are excited to be challenged and surrounded by peers who are equally inspired by academic challenge.

*"To be an IAM student, one must be hard-working and motivated to learn, facing challenges head-on and in the moment, without giving up."* — IAM student

## IAM Grade 9 Course of Study

Honors World Literature  
Honors World History and Geography  
Honors Language B (French, German or Spanish)  
Honors Geometry  
Honors Biology  
Fine Arts (Intro to Art, Band, Drama, Vocal Music)

## Eligibility and Application

College-bound students with a sincere desire for an academically challenging and international education are eligible to apply, if they meet the following criteria:

- Are registered in one of the participating districts prior to attending the IAM
- Will be entering 9<sup>th</sup> grade in fall 2023
- Have demonstrated competency on admission test that covers math, English usage and writing
- Have earned credit in Algebra I or higher math prior to August 10<sup>th</sup>, 2023
- Have submitted all application materials online

The application period is December 1, 2022 – January 27, 2023. There will be a link to the application available on December 1<sup>st</sup>, please visit [www.IAMacomb.org](http://www.IAMacomb.org) and select **Admissions**.

## In-Person Informational Meeting

**Wednesday, November 30<sup>th</sup>, 2022 at 6:00 p.m.**

Parents and potential students are welcome to attend the meeting which will be held in the IAM cafeteria.

## Virtual Informational Meeting via ZOOM Webinar

**Wednesday, November 30<sup>th</sup>, 2022 at 10:00 a.m.**

Parents and potential students are welcome.

Zoom link will be posted the day before at [www.IAMacomb.org](http://www.IAMacomb.org). Go to the Spotlight.

## Mandatory Admission Testing Schedule

**Saturday, February 4<sup>th</sup>, 2023, 9-11:00 a.m.** (Remote)

## Participating Districts

Anchor Bay	Lake Shore	Roseville
Center Line	Lakeview	South Lake
Chippewa Valley	L'Anse Creuse	Van Dyke
Clintondale	Mount Clemens	Warren Consolidated
Eastpointe	New Haven	Warren Woods
Fitzgerald	Richmond	
Fraser	Romeo	

Each district is allotted a specific number of seats at the IAM. If more applications are received than number of seats available, acceptance will be determined by lottery at the local district level. Local districts will notify applicants of the date/place/time of the lottery and results.
